

Waste recycling rules

Dear Ladies and Gentlemen,

This is a short step by step instruction, on how to recycle your waste (garbage) in Bad Mitterndorf.

Organic waste bin: food restudies, compost, egg shells, biodegradable waste, cut flowers, coffee and tea grounds incl. paper filter, and green garden waste

Every household, apartment house and hotel has its own organic waste bin!

Plastic waste bag (Yellow): plastic waste, including plastic packaging, styrofoam
(No glass, no Paper, no residual waste)

Please note the waste collection pick updates!

Paper collection bin: waste paper, junk mail, newspaper, magazines, cardboard boxes- (please shred), letter and writing paper,

Glass container: all glass packaging separated by white and colored glass e.g. Bottles and jars food, beverages, cosmetics, medicine. Locations to disposable glass in Bad Mitterndorf supermarket (Billa, Spar)

in Tauplitz opposite the pub "Wahnsinn".

in Pichl-Kainisch "Unimarkt"

Residual waste: Ashes (cold), flowers pots, brushes, CD`s, sanitary towels, metal buckets, dishes, window panes, light bulbs, cat litter, tools, bones, leather, toys, vacuum cleaner bags, wallpaper, diapers

Look at the waste collection dates!
